

Free Presentations and Programs

The City of Fort Worth Community Engagement team offers **free** presentations to neighborhood associations and HOAs, civic and community groups, as well as elementary, middle and high school students throughout Fort Worth.

Community Engagement Liaisons give presentations on topics such as recycling, pollution prevention, water conservation, city government, volunteer recruiting, how to hold effective meetings and more.

To schedule a program, call our main number **817-392-6201** or contact the liaison assigned to your area. Bilingual by request.
